### SMALL UNUSUAL GIFTS.

By MARY BARRETT, Women's Editor

We are often faced with the problem of obtaining something special in the way of a gift for someone we feel "has everything." It has always been my experience that I eventually end up at the boutique, neckwear, or small accessories department.

In these departments can be found small gems such as original scarves, interesting jewelry, small purses, purse accessories, and all sorts of conversation pieces and interesting glamorous trifles.

#### Seldom Exchanged Gifts

Another unusual feature of gifts purchased at the boutique or accessory counters, is the fact that they are seldom exchanged for something else. I believe this is because these are items that we seldom buy for ourselves.

In this category are clever wool jersey cap and muffler sets in accessory colors, and applied with beads... little hand-painted or hand-blocked neckties of silk... a velvet hair clip with a wisp of veil for evenings out... little fur collars, cuffs, and jeweled collars to glamorize sweaters.

Who could exchange a pearl-dotted fold-over black velvet evening bag... a versatile little white wool jersey shrug edged with pearl-studded braid... or a strictly ornamental apron of net and velvet sparkled with glitter for the holiday hostess!

#### Foot Frivolities

Did you find the shoe department stocks completely depleted of house slippers? Try the

boutique for some glamorous at-home foot frivolities such as the crocheted gold thread booties, or imported little bandeaus a glitter with sequins, jewels, or metallic braid.

Jeweled pill boxes, sequined felt spectacles cases, exquisite little compacts holding mirror and lipstick, are more ideas.

The price range is great, and the pride of giving is worth the momentary confusion one may face in attempting to choose between the large selections.

#### CLUB PLANNING HOLIDAY DANCES

There will be a Christmas party and dance on Friday, December 17, at 8 p.m., in the Woman's Club at 1422 Engracia, sponsored by the Torrance Townsend Club. The public is invited and there will be refreshments and exchange of gifts.

There will also be a New Year's Eve party on Friday, December 31, at the Woman's Club, featuring refreshments, favors, and dancing to start at 8:30 p.m. The Townsend Club of Torrance announces that everyone is welcome.
